

## **PREFACE**

The enactment of 73<sup>rd</sup> and 74<sup>th</sup> amendments in the Constitution of India was done with the purpose of strengthening the democratic framework and empowering the local bodies in the rural as well as the urban areas of the country. The constitution of the State Election Commissions was also part of this amendment to ensure timely, free, fair, smooth and peaceful elections. The State Election Commission Himachal Pradesh has so far conducted six general elections to Panchayati Raj Institutions and Urban Local Bodies in the State. The sixth General election for Panchayati Raj Institutions and Urban Local Bodies was conducted in the months of January and April, 2021, except Zila Parishad Lahaul-Spiti, Gram Panchayats and Panchayat Samiti of Keylong Development Block of this district and Gram Panchayats and Panchayat Samiti of Development Block Pangi of district Chamba. The elections to Panchayati Raj Institutions of these areas were due before 23.06.2021 but due to rising number of Covid-19 positive cases in the State, it was considered appropriate to defer the elections. The situation was reviewed in August, 2021 and after detailed stakeholder consultations, the election programme for elections to Zila Parishad Lahaul- Spiti and Gram Panchayats and Panchayat Samiti of Keylong and Pangi Development Blocks was issued. The Commission also decided to fill casual vacancies in various Panchayati Raj institutions across the State along with the general elections in the abovementioned areas.

This report is a small endeavour to collate and document information on these elections in a cohesive manner. A first of its kind initiative by this Commission, I am sure it will provide the template for record keeping in future also. I wish to take this opportunity to place on record the sincerity displayed by all field officials to ensure smooth, fair and transparent conduct of these elections. Without their hard work and devotion to duty, it would not have been possible to conduct these elections. A special thanks is also due to the electorate and the contesting candidates for participating enthusiastically in this festival of democracy at the grass roots and making it a grand success. And of course, not to forget the

extremely knowledgeable and committed staff in the Commission Headquarters, without whose involvement and commitment, the elections would be difficult. They all deserve appreciation of the highest order.

No.SEC (F)-1/2019 - 4557 - 4560 Dated the

28<sup>th</sup> August, 2021

To

1. The District Election Officers (Panchayat)-cum-Deputy Commissioners Chamba & Lahaul-Spiti Himachal Pradesh.
2. The District Election Officer (Panchayat)-cum-Additional Deputy Commissioner Kaza District Lahaul-Spiti, Himachal Pradesh
3. The District Election Officer (Panchayat)-cum-Resident Commissioner Pangi District Chamba, Himachal Pradesh

**SUBJECT: CONDUCT OF ELECTION TO PANCHAYATI RAJ INSTITUTIONS -- DIRECTIONS THEREOF.**

Sir,

I am directed to convey for your guidance and compliance the following directions for ensuring proper, timely and smooth conduct of general elections to Panchayati Raj Institutions of Development Block Keylong and Kaza of District Lahaul&Spiti and Development Block Pangi of district Chamba to be held in near future.

1. **PRELIMINARY ARRANGEMENTS:** The Commission is contemplating to issue election programme for the conduct of general elections for the abovementioned Development Blocks. You have to make all preparatory arrangements within a short time. It is presumed that the list of staff to be deployed for this purpose has been prepared by now. If not, the same would need to be initiated immediately. You are advised to chalk-out a programme for imparting

training to the Returning Officers/Assistant Returning Officers who shall be responsible for receipt of nominations, scrutiny of nomination papers, preparing list of contesting candidates, allotment of symbols and finally counting and declaration of results. The polling personnel may be given at least three rehearsals including the day fixed for collection of material for polling.

**2. ARRANGEMENT FOR BALLOT BOXES:-** It is presumed that by now you may have kept the Ballot Boxes ready. As you are aware that there are two sizes of ballot boxes therefore, while distributing ballot boxes care should be taken that bigger boxes are provided to the Panchayats where numbers of electors are comparatively higher, smaller boxes can be used for Panchayat Samiti and Zila Parishad elections as two ballot papers pertaining to these offices will be inserted in one box and three ballot papers pertaining to Gram Panchayats will be inserted in one box therefore, bigger box should be used for the elections of Gram Panchayats.

**3. NOMINATION :** Nominations for the office of Ward Member, Up-Pradhan and Pradhan of Gram Panchayat shall be received at the Panchayat headquarters, for Members of Panchayat Samiti at the Tehsil/Block Headquarter and for Members of Zila Parishad at the Sub-Divisional/District Headquarters as the case may be. The choice of officers to be appointed as Returning Officers/Assistant Returning Officers for the conduct of elections is left to the best judgment of District Election Officers (Panchayat). However, Assistant Returning Officers may be of a reasonable rank such as Principal/Headmaster/Lecturer of Government Senior Secondary School/Govt. High School/Govt. Middle School and Assistant Engineer/Junior Engineer/Extension Officer, etc. Since, this task involves great responsibility and need to be handled with circumspection and knowledge, **an Official appointed on election duty should normally be deployed in a Panchayat other than the one which he belongs to or where he is currently stationed but should be within the same block.** The Returning Officers/Assistant Returning Officers would be responsible for counting of votes also; therefore, they should be required to fully acquaint themselves with the relevant provisions of the Acts and Rules on the subject. The appointment of Returning Officers/ Assistant Returning Officers / Presiding Officers/Polling Officers may be confirmed to the Commission as soon as the same are made.

Presiding Officers and Polling Officers may be classified on the basis of scale of pay/grade pay, their post and rank. As far as possible, Gazetted Officers be deployed as Presiding Officers failing which officials who is working in supervisory capacity only may be deployed as Presiding Officers. The Presiding Officers should be of higher scale/grade in comparison to other Polling Officers of a polling party.

**4. DISCLOSURE OF SPECIFIED INFORMATION:** As you are aware that the Commission has framed Regulations namely "**The Himachal Pradesh Panchayats and Municipalities Elections (Disclosure of Specified information by the Candidate) Regulations, 2004**", according to which every candidate seeking election to the office of Member, Up-Pradhan and Pradhan of a Gram Panchayat shall submit the specified information in the **Annexure-I** as per rule 5 of the said regulation in the form of **an affidavit or a declaration**. Every person seeking election to Panchayat Samiti and ZilaParishad shall submit the same information, as per rule 4 read with sub-rule 2 of the regulation, in the form of **an affidavit** duly attested by Magistrate or Notary Public or Oath Commissioner. Forms in respect of Annexure-I, already stand supplied to you and is required to be issued alongwith the Nomination Form to the contesting candidates. Therefore, please ensure that the said **Annexure-I** is attached to each nomination paper so that every contesting candidate should get complete set of nomination papers.

**5. DEPOSIT OF AMOUNT RECEIVED ON ACCOUNT OF VARIOUS RECEIPTS DURING THE ELECTIONS:** While imparting the training to Returning Officers/Assistant Returning Officers, you are requested to bring it to their notice that while discharging their duty as Returning Officer/Assistant Returning Officer they will receive various amounts such as on account of sale of voter lists, amount of forfeited security and amount on account of challenging of identity of a voter etc. The amount so received shall be deposited in the following Receipt Head of Accounts:

**Major Head:-** 0070-Other Administrative Services-02-Election 101-Sale proceeds for election Forms and documents-02-Sale proceeds for election Forms and documents by State Election Commission.

As far as security money is concerned, the Assistant Returning Officer shall deposit the forfeited security money with the Returning Officer concerned immediately and it will be

responsibility of Returning Officer only to deposit the forfeited security money in the Govt. Treasury immediately after receipt of such amount from Assistant Returning Officer in the following receipt Head:

**Major Head:** 0070-Other Administrative Services-02-Election 104-Fee fines foreitures-02-Fee fine forfeiture by State Election Commission.

Any miscellaneous amount received during the election shall be deposited in the following receipt head:-

**Major Head:** 0070-Other Administrative Services-02-Election 800-other receipt-03 Misc. receipt by State Election Commission.

The Returning Officer will send all the Challans in original alongwith used and unused receipt books issued to him and a summary of amount received (receipt book wise) to the Districts Election Officer (Panchayat) and retain a copy of the same with him for his record. The proforma for sending summary is as under:

S. No.	Sr. No. of receipt book	Total receipts issued from a book	Amount	Total blank receipts in a book	Full blank receipt books in total (Unused books)	Detail, if any

**Note:** Even if no receipt is issued from a receipt book it has to be mentioned in the summary of receipt book.

6. **BALLOT PAPERS:** The State Election Commission has prescribed the design of the ballot papers under rule 52. Under Rule 42, there shall be no choice of symbol i.e. symbols shall be allotted according to the symbols approved and notified by the Commission to the contesting candidates against their names as they appear in the list of the contesting candidates in alphabetical order. The name of the contesting candidates shall be written in hand on the ballot papers with a ball point pen legibly so that there is no confusion among the electors. The order of the names on ballot papers shall be the same as they appear in the list of contesting candidates. This is a massive exercise and required to be done with utmost care.

The Returning Officers / Astt. Returning Officers will select suitable officials to do the job at the block headquarter.

As you are aware that option of “NOTA” “उपरोक्त में से कोई नहीं” will also be made available on the ballot paper. For this purpose the Commission has already supplied you sufficient number of NOTA stamps and black ink stamp pads. Therefore, you would require one block extra on the ballot paper than the number of contesting candidates to apply “NOTA” stamp in black ink. While applying the stamp on ballot paper, care must be taken that it is applied within the border of last block of the ballot paper. For example, if there are five candidates for a particular office you will keep six blocks on ballot papers. The sixth block will be used for application of NOTA stamp and the remaining portion of ballot papers after the NOTA option shall be detached with the help of metal rule leaving behind the shaded portion at the bottom.

Please keep in mind that there are maximum ten symbols printed on the ballot papers. If there are ten contesting candidates for any office, you would require ballot paper with eleven blocks i.e. ten blocks for candidates and one for NOTA. Therefore, after the time of withdrawal of candidature is over, if there are ten or more than ten candidates for any office the Returning Officer will immediately inform the District Election Officer (Panchayat) name of the post alongwith number of electors so that adequate number of ballot papers could be supplied to you by the Commission. This information must reach the District Election Officer (Panchayat) at once through quickest mode who will inform the Commission at once.

The number of symbols printed on ballot paper for members of Gram Panchayats are six symbols and ten symbols. Therefore while issuing ballot for members of Gram Panchayat care should be taken that where there are five contesting candidates ballot papers with six symbols may be provided as sixth block will be used for “NOTA” “उपरोक्त में से कोई नहीं” and where number of contesting candidates is six or more ballot paper printed with 10 symbols may be issued.

Any untoward incident may please be intimated alongwith your recommendations through quickest mode of communication.

You should specially take a closer look on the arrangements at the polling stations, deployment of Executive Magistrates/Sector Officers and police forces, the observance of the restriction of stoppage of campaign and closure of the liquor shops 48 hour before the close of the poll, the state of readiness and preparedness about the availability of ballot boxes, polling materials like ballot papers, etc. and the polling personnel to commence polling in all the polling stations in the Constituency, as scheduled.

You may also observe the polling process and process prior to and after the polling while visiting a polling station. It follows that within the overall parameters of your mandate as observer, you must compulsorily witness and observe the following:-

- g) Scrutiny of Nomination papers,
- h) Campaigning,
- i) Marshalling and movement of poll parties,
- j) Polling,
- k) Counting,
- l) Safe custody of Ballot boxes after the poll wherever they are required to be kept in safe custody.

You are required to submit 2<sup>nd</sup> and 3<sup>rd</sup> report as under:

**Second Report:** At the end of campaign period which will cover the arrangements made for the election and campaigning of the candidates.

**Third report:** At the end of polling process which will include the details of the day of polling, counting, declaration of results and handing over the custody of polled ballot boxes to the concerned authorities/strong rooms.

Your reports must reach the Commission at the earliest. It is now common to send these by fax/email. The submission of faxes/email should be invariably followed by sending a post copy. Your reports may also include following points:-

- i) That the conduct of the election machinery in the field is free from bias, impartial and uninfluenced by any local extra-constitutional authorities.
- ii) That the complaints received from the candidates and their agents are being disposed off by the election machinery with the desired speed.

- v) That the location of the polling stations, the composition of the polling parties, the deployment of the Police Force and Home Guards, the preventive action on the part of local law and order machinery to prevent and curb poll violence and intimidation and counting of votes, are being carried out in a manner which minimizes vitiating of the process of conduct of peaceful, fair and free elections.
- vi) That the local election machinery is taking all practicable steps to ensure the observance of the Model Code of Conduct.

While sending your final report to the Commission, you should also return the copies of the Returning Officers Hand book, the Presiding Officers Hand Book and the Model Code of Conduct.

**Note: You will be deemed to have been relieved from election duty after submission of third report.**

11. You should familiarize yourself with the Model Code of Conduct and see whether it is being observed in true letter & spirit. Violations, if any, may be brought to the notice of the District Election Officer (Panchayat)/Returning Officer/Assistant Returning Officer concerned as well as State Election Commission. Copy of the Himachal Pradesh Panchayats & Municipalities Model Code of Conduct-2020 is enclosed. You should broadly assess after talking to the District Magistrate and Superintendent of Police concerned that adequate law and order arrangements have been made. You should also see that adequate security preparations have been made for polling and counting especially in Sensitive/Hypersensitive Polling Stations.

12. You should also visit the relevant polling stations where repoll or adjourned poll is to take place. You will send a brief report at the end of the poll highlighting any specific point which needs to be brought to the notice of the Commission. In case of repoll, you shall send a comprehensive report at the end of the re-poll.

13. Telephonic communication with the Commission, in urgent matters which cannot be kept pending till the written report during the field visit, will be welcomed. All telephonic conversations should preferably be held with the Secretary State Election Commission and must be followed by a written message in confirmation.

14. It is emphasized that your job mainly is to observe the process of the election and to bring to notice of the District Election Officer (Panchayat) / Deputy Commissioner/Returning Officer/Assistant Returning Officer any inadequacies etc. that you may notice.

15. Above details may not be exhaustive. These have been issued to facilitate you in making your observations. In case you feel that something more and serious is required to be reported to State Election Commission, you are free to report.
